ATTENTION ALL FANS

The Coastal Carolina University Department of Athletics has received approval from the South Carolina Department of Commerce to host spectators at fall sport home events in Brooks Stadium, the HTC Center, and the CCU Soccer Stadium. The approval is in accordance with South Carolina Governor Henry McMaster’s outline of a procedure for exceptions to gathering restrictions in an Executive Order.

As part of the plan, Brooks Stadium’s revised capacity based on CDC, accelerateSC, NCAA, and Sun Belt Conference guidelines cannot exceed a total of 5,000 attendees which includes, teams, coaching staffs, gameday staff, gameday operations, working media, band, spirit teams, volunteers, and spectators.

Based on six feet of social distance, fans will be seated in pods of two and four affiliated guests throughout the stadium with distancing between pods.

Parking lots will open two hours before the announced kickoff times and close one hour after the conclusion of the event. Tailgating will be allowed at an individual’s discretion; however, tents and other items that encourage large groups are prohibited. Any tailgating that does occur, must be maintained within the individual parking space area and cannot be located in or around public green spaces. No tailgating will be allowed once the game starts or after the conclusion of the contest.

CAF premium seating in the West Zone and loge boxes will feature a blended model which provides both social distancing in the stands and space for CAF donors inside the West Zone Suite. CAF donors will be assigned seating based on priority points and available seating options.

Fans will be asked to wear face coverings at all times with the exception of when actively eating or drinking.

STADIUM SAFETY MEASURES

- Fans who are listed among the CDC’s at-risk groups are especially vulnerable and should consider staying home and refraining from attending events.
